The course will help Muslim Sisters to learn about Islam from a foundation level to a higher level providing them with knowledge and understanding of Islam. This will enable students to conduct their life in accordance with the commands of Allah and the Sunnah of His Prophet ﷺ.

We understand the demands of modern life and the busy lifestyle we live. We have therefore deliberately kept lessons short but focused, rich but not overwhelming, ensuring only very limited study outside of lessons is required.

By the end of the course students will have the satisfaction of practicing their Deen with the knowledge from the Qur'an and the Sunnah together with the ability to understand and translate parts of the Holy Qur'an and the Prophetic Hadith from Arabic.
